## **Banking: Letters of Credit..**

**...and all other types of banking options....**

**Letters of Credit?** Yes...considered the most secure financial instrument when it comes to getting paid in your international transaction....

**Perfect!...but there other types of banking formats?** Definitely! Letters of Credit reign supreme because of the way they're structured and their security features. There are of course other types of banking tools such as documentary collections, cash against documents, open account etc....

**Sounds ominous! How do I know which one to use?** Good question- that's what this seminar will help answer! Our aim is to provide you with all the basic fundamental principles of each banking term. While they may seem tricky, they are all *simple* in process. Don't be deterred! This seminar will provide you with all the basic knowledge when it comes to the banking side of your transaction. The aim – being able to know which financial instrument is most suited to your transaction!

### **Topics of discussion:**

- Defining a Letter of Credit / Types of Letters of Credits
- Roles and the parties involved in your transaction
- Using a Letter of Credit to your advantage – why/who/when....
- Banking options – documentary collections, cash against documents, Open Account etc
- Much much more!

### **Remember....**

Trans-Border offers these seminars at no cost!

The duration of our programs run between 45 and 60 minutes in length!

### **Ok...so who should attend these seminars?**

- Traffic Managers / Compliance Officers / Purchasing Managers
- Customer Service Managers / Finance personnel / Sales Managers
- Shipping & Receiving Personnel / Anyone involved with international sales!

***Creating awareness....building relationships....***
